**DEPARTMENT OF ENGLISH  
FEED BACK ANALYSIS - 2017-18**

From the feedback (both objective and descriptive) collected from the students, it is comprehended that the following were the grievances of the students of the academic year. They were

- In need of basic infrastructure facilities, such as spacious classrooms, washroom facilities, drinking water availability and canteen facility.
- In need of additional staff members.
- In need of sitting benches and desks.
- In need of remedial classes for regional medium students.
- In need of sports events and a playground.

**ACTION TAKEN REPORT**

- ❖ Since the college is a government college, the lack of infrastructure facility had been reported to the Director of Collegiate Education by the office staff.
- ❖ The Government took rapid steps to build a new campus with the basic infrastructure, though it took a complete year.
- ❖ In the meanwhile, some of the additional rooms from the adjacent government school (where the college was temporarily situated) had been used by our students.
- ❖ The playground of the school had also been used. Same was the case with washroom too.
- ❖ Water cans from outside vendors had been purchased for the students.
- ❖ Extra classes (special coaching classes) had been conducted for the students who were weak in the learning process.
- ❖ Assignments were given to those who were very slow in writing. It helped them to improve their handwriting, writing speed and spelling.
- ❖ Part time teachers were appointed to handle classes through Parents Teachers Fund of the college.
